

**Help Save the Nowland Av. Bridge!**

If you would like to help save the historic Nowland Av. Bridge, please go to the Pathways Over Pogue website at <https://popindy.org/> to find out more information on donating.

### **HOLY CROSS NEIGHBORHOOD**

**1 - Pogue's Run Tunnel.** Site where the Pogue's Run starts its underground journey to southwesterly to just south of the Kentucky Av. Bridge where it empties into the White River.

**2 – Lost Dog Gallery.** Hosts First Friday events as well as local artists exhibitions. [lostdoggallery.com](http://lostdoggallery.com)

**3 - Highland Park.** Originally the site of Gov. Noble's farm in 1832. Became a park in 1898 and has the city's second highest elevation.

**4 – Pogue's Run bridge mural.** Painted in 2019 by Brandon Miller who developed the concept to make the current concrete bridge look like an open metal bridge.

**5 – Mary Miss Streamlines sculpture (2015).** Mary Miss designed and installed a cluster of mirrors and red beams in five Indianapolis neighborhoods, which radiate out from a central point to nearby streams and waterways. The installation was intended to get visitors to follow the beams to the nearby waterways.

**6 – Rad Brewery mural.** Designed by artist Brent Aldrich and painted by Lilly employees in 2013 depicts the area along the waterway throughout the decades.

**7 – Smoking Goose Meatery.** Public market to purchase slow cured and smoked meat products. [www.smokinggoose.com](http://www.smokinggoose.com)

**8 – Rad Brewing Company.** Local brewery offering group tours, this brewery features an exposed-brick taproom offering pints & growlers.

**9 – Spotts Garden Service.** Offers landscaping services creating custom and organic gardens. [spottsgardens.com](http://spottsgardens.com)

**10 – King Dough.** Offers wood fired hand-crafted pizza. Signature dishes with market-fresh seasonal ingredients and craft cocktails, wine, & beer. [www.kingdoughpizzas.com](http://www.kingdoughpizzas.com)

### **COTTAGE HOME NEIGHBORHOOD**

**11 – Dorman St. Art Park.** Installed in 2017 this small park features 5 art installments by Eric Norgulen with help from Arsenal Tech students.

**12 - Ruskaup-Ratcliffe House.** Built in 1892 this Dutch revival house has a grand turret. Across the street are five sets of doubles all which represent the

city's largest concentration of Vonnegut & Bohn designs.

**13 – Ruskaup Grocery/Tavern.** Built in 1875, with an addition in 1885 by Frederick Ruskaup. Ran as a family business for 75 years.

**14 - Cottage Home Community Space.** Developed and built by the Cottage Home Neighborhood Assn., this space provides opportunity for gatherings such as the annual Fall Block Party.

**15 - Paramount School Cottage Home.** This K-4 school opened in fall of '20. It offers a curriculum which continually connects theory with practical, integrated experiential learning activities.

**16 - Dorman Street Saloon.** A neighborhood institution since 1908, providing beer on tap and cocktails served in a time-tested watering hole. [dormanstreet.com/bar](http://dormanstreet.com/bar)

**17- Roberts School Flats.** Originally built as IPS school 97 in 1936 in the Art Moderne style. It was saved from the wrecking ball in 2018 and converted into 31 apartments.

### **ARSENAL TECHNICAL HIGH SCHOOL**

The school's campus originally served as a U.S. Civil War era arsenal from 1864 until 1903. It opened as a school in 1912 and placed on the National Register of Historic Places in 1976.

### **WINDSOR PARK NEIGHBORHOOD**

**18 – Prosser House.** Built in 1885 by master plasterer William Prosser. Its elaborate interior and exterior plaster work has given the house the nickname "wedding cake house".

**19 – Circle City Industrial Complex.** Spanning more than a half a million square feet, the CCIC is home to a diverse group of tenants including artists, makers, small businesses, and more. [www.circlecityind.com](http://www.circlecityind.com)

**20 - Fletcher Park.** This work "Sundial-Flatland" by Andrew Severns was installed in 2013. Fletcher Park is one of Indy's oldest parks.

**21 – Kan-Kan Cinema and Brasserie.** An arthouse cinema. A European-inspired restaurant. A neighborhood gathering place. A home for film-lovers, food-lovers and community-seekers. [kankanindy.com](http://kankanindy.com)

**22 - Spades Park Library.** Built in 1912, it is one of the three remaining Carnegie libraries in Indianapolis.

**23 - Spades Park.** Named after Michael H. Spades, who made his fortune in real estate. In 1898 he donated six acres of land straddling Pogue's Run to the city. The park now totals 31 acres.

### **SPRINGDALE NEIGHBORHOOD**

#### **24 - Chinquapin Oak Trees**

**25 - Spades Park Bird Sanctuary.** Spades Park is a designated Bird Sanctuary. The park is maintained by the Indy Parks Land Stewardship Team to provide an optimal habitat for both local and migratory birds.

**26 - Nowland Av. Bridge.** The Nowland Avenue Bridge was designed and built in 1903 by nationally renowned engineer Daniel B. Luten, based in Indianapolis. It is the oldest remaining Luten bridge in the city and an early example of the patented Luten Arch.

### **BROOKSIDE NEIGHBORHOOD**

**27 – DigIndy site.** Part of the Upper Pogue's Run Combined Sewer Overflow (CSO) solution.

**28 - Paramount School Brookside.** This K-8 school was the first of the Paramount schools. It offers a curriculum which continually connects theory with practical, integrated experiential learning activities.

**29 - Brookside Park.** This 108 acre park was established in 1898 and is one of the oldest parks in the city.

**30 – Brookside Park Community Center.** Built in 1927, the architects used a classic design style that mimicked the bridges and columns found throughout the city along the Kessler designed Park and Boulevard System.

#### **31 – Brookside Park Disc Golf Course**

**32 - Pogue's Run Art & Nature Park.** This park was a collaboration between the Indy Parks and the Herron School of Art and Design. The students developed many of the art installments throughout the park. The park boasts 2 miles of trail and large wetlands where geese, ducks, red-winged blackbirds, herons, egrets, turtles, and a beaver lodge can be found.
